Junior Specialist (Kheirbek Lab)

The Kheirbek Lab in the Department of Psychiatry and Behavioral Sciences is now recruiting a Junior Specialist. Our lab specializes in research to understand the neural circuits that go awry in psychiatric illness, with a specific focus on anxiety and depression related illnesses. We are looking for a junior specialist that will assist in performing neural recordings, data analysis, and mouse behavior.

Required qualifications

- A bachelor’s degree required at the start date  
  Note: CV must list required degree (or in process) upon submission
- Excellent communication and interpersonal skills
- Demonstrates excellent attendance and professionalism

Please apply online at https://aprecruit.ucsf.edu/JPF03174 [1] with a CV, cover letter, and three reference contacts.

UC San Francisco seeks candidates whose experience, teaching, research, or community service that has prepared them to contribute to our commitment to diversity and excellence. The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.
