

## Internship Program Admissions

Date Program Tables are updated: 7/21/2020

### Briefly describe in narrative form important information to assist potential applicants in assessing their likely

The UCSF Child and Adolescent Services Multicultural Clinical Training Program (MCTP) at Zuckerberg San Francisco General Hospital (ZSFG) offers an APA-accredited, one-year clinical child psychology internship, based on the Scholar-Practitioner Model. Our program is grounded in serving the needs of the local community with a commitment to research that is taught and valued particularly, though not exclusively, in the service of clinical practice. The MCTP is embedded in the Division of Infant Child and Adolescent Psychiatry in the Department of Psychiatry and Behavioral Sciences. ZSFG is a Level 1 Trauma Center and public service hospital committed to serving low-income and culturally diverse communities. Clinical services are linked to the Community Behavioral Health System of the San Francisco Department of Public Health. Training provides experience across the entire developmental spectrum of 0-24 years of age. The MCTP provides specialized training and leadership in multicultural psychology and works to break down barriers that families encounter in their attempts to access culturally appropriate, high-quality evidence-based care. Over the last several years, 89% of our graduates have obtained positions in academic health centers providing care to underserved children and families. The APA Commission on Accreditation (CoA) completed a site visit in August 2019 and our accreditation will be reviewed at the CoA 2020 Summer program review meeting. The MCTP continues to have full APA accreditation.

### Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	No✓	Amount: N/A
Total Direct Contact Assessment Hours	Yes	No✓	Amount: N/A

### Describe any other required minimum criteria used to screen applicants:
