Internship Program Admissions

Program Disclosures

As articulated in Standard I.B.2, programs may have “admission and employment policies that directly relate to affiliation or purpose” that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

<p>Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.</p>	<p><input checked="" type="checkbox"/> Yes</p> <p>No</p>
<p>If yes, provide website link (or content from brochure) where this specific information is presented:</p> <p>UPAY form 585 (oath of allegiance): https://ucnet.universityofcalifornia.edu/forms/pdf/upay-585.pdf</p>	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The UCSF Clinical Psychology Training Program offers a two-year full time fellowship comprised of a one-year general clinical psychology internship (APA-accredited) and a one-year postdoctoral clinical and clinical research fellowship, based on the scientist-practitioner model. Graduates are expected to pursue careers emphasizing research and training in academic and academic/research settings, including those affiliated with health and mental health service systems. Over the last ten years, 94% of our graduates have obtained research or academic positions upon leaving our program.

The program is designed to train clinical psychologists who are committed to an academic and/or research career, have a strong record of both clinical and research experience, and are research oriented and want to work sensitively and competently with medically, economically or educationally disadvantaged populations.

The program offers training in health service delivery in a wide variety of clinical settings. In addition, the program provides specialized research training with a faculty mentor in areas including ADHD/behavior disorders, eating disorders, juvenile justice and behavioral health, neuropsychology, autism spectrum and neurodevelopmental disorders, and substance use disorders and intervention development with medically, economically or educationally disadvantaged populations

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	No		Amount: not applicable
Total Direct Contact Assessment Hours:	No		Amount: not applicable

Describe any other required minimum criteria used to screen applicants:

Application Requirements

- a minimum of 400 practicum hours (intervention and/or assessment)
- comprehensive exams passed by November 1, 2025
- dissertation proposal approved by November 1, 2025
- a minimum of three years of graduate training

- doctoral degree program must be PCSAS or APA-accredited in Clinical Psychology
- submission of official graduate degree(s) transcripts

Each applicant is evaluated in the following areas:

- clinical training, including experience in assessment and psychotherapy
- research interest as documented by training obtained and productivity (especially presentations, publications, and grants)
- overall excellence as a psychologist as shown by breadth and depth of experiences and letters of recommendation
- appropriateness for faculty research mentor(s) chosen by applicant, as shown by work done relevant to the mentor's research area and familiarity and fit with the mentor's work
- progress toward dissertation completion
- evidence of accomplishments indicating commitment to an academic and/or research career

Financial and Other Benefit Support for Upcoming Training Year
